## Register of Examining Doctors - Confirmation of Registration

---

Dear Dr Grimske,

Further to your application to join the OEUK Register of Examining Doctors, and your attendance at the Doctor's Training Workshop, I am pleased to confirm that you have now been added to the Register.

Your Personal Identification No (PIN) is **OEUK/2024/3648**

Your PIN must be printed on each medical certificate you issue in order for the certificate to be valid. A sample form of medical certificate is provided in Addendum 2 of the OEUK Medical Aspects of Fitness for Work Offshore: Guidance for Examining Physicians. You should reproduce this certificate on Nicole Grimske headed notepaper.

A copy of the Guidelines were issued to you along with the joining instructions to the training workshop. You should familiarise yourself with the requirements of these before conducting medicals. In particular, your attention is drawn to the section on information for unsuccessful candidates and the medical review process.

If you need to procure another copy of the Guidelines, you can purchase these [on our website](#).

You will be required on an annual basis to submit details of the number of medicals performed, results of the medical, and the reasons for failures. We will send you an email with more information on this alongside the application for renewal in October. Each year, you must renew your registration by submitting your annual return and paying the appropriate registration fee. Failure to renew your registration by 31st December will result in your registration being revoked.  
**Please note:** Any application to join the OEUK Register of Examining Doctors received prior to October 1st in any calendar year is due for renewal by 31st December in that same calendar year. Any applications made on or after October 1st will be due for renewal by 31st December in the following calendar year.

Your name will appear on the [Register of Examining Doctors on the OEUK website](#) within the next 24 hours.

If you have any questions, please don't hesitate to [contact the Medical Administration Team](#) who will be happy to help.

Kind regards,

OEUK Medical Administration Team
