

# Examination order and price overview

## Offshore activities

**We hereby assign GRIMEDIO Occupational Medicine with the examination of:**

Name	First name	Date of birth

**The following tests are to be carried out (prices plus VAT):**

**Offshore capability:**

<input type="checkbox"/>	According to German guidelines (AWMF/DGAUM)	262,00 €
<input type="checkbox"/>	According to British guidelines (OEUK/OGUK)	211,00 €

**Remark:**

The examinations differ in that German guidelines require a stress ECG and British guidelines do not. If the examination is assigned in accordance with German guidelines and the eligibility criteria of both specifications are met, we issue a certificate for British **and** German eligibility.

A drug/alcohol test is not routinely carried out. Please order this separately.

**Special activities (please check the appropriate box):**

emergency response team       crane operator       food handler  
 working on normally unmanned installations (NUI)
